THE VILLAGE OF NEUKIRCHEN.

Rural. Local. Cosyful.

The naturally-developed village of Neukirchen lies at the foot of the Wildkogel cable car. With a population of just 2,500 it nevertheless provides superb infrastructure for its visitors - cafés, specialist sports outlets and shops selling everyday items and souvenirs. Its restaurants offer hearty local specialities as well as fine dining.

Naturally there is plenty of snow-based fun to be had with ski and snowshoe tours and a vibrant après-ski scene. And culture vultures will find plenty to entertain them at the “cinétheatro” – everything from theatre and cabaret to readings and live bands.

Relaxed. Hamely. Rewarding.
